Manufacturer's Certification Statement

This Manufacturer's Certification Statement is provided to certify that certain Amerimax Vinyl Windows and Patio Doors that are ENERGY STAR® qualified for the climate zone in which they are installed may be eligible for tax credits as defined in the 2013 revision of Internal Revenue Code, Section 25C, as set forth in the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010.

Amerimax Vinyl Windows, located at 3950 Medford Drive in Loveland, CO 80538 and 1660 Tide Court in Woodland, CA 95776, is the manufacturer of Amerimax Vinyl Windows and Patio Doors.

For thermal performance ratings of Amerimax Vinyl Windows and Patio Doors, visit www.amerimaxwindows.com. For details on ENERGY STAR climate zones and requirements, visit www.energystar.gov. To determine which Amerimax Vinyl products are tax credit eligible for your climate zone, consult your nearest Amerimax Vinyl Window dealer or distributor.

This certification statement should be retained by the taxpayer as it may be requested by the Internal Revenue Service (IRS). It is also necessary for taxpayers to retain the purchase receipt and the NFRC label for each eligible window or door. Homeowners should consult with their tax advisor to confirm that they qualify for the tax credit. The extension of the tax credit for energy efficient windows and doors has new rules that may restrict eligibility depending on previous tax credits claimed for windows and doors.

The 2013 tax credit extension applies to products purchased and installed from January 1st, 2013 to December 31st, 2013. This document is only intended to certify that Amerimax Vinyl windows offers ENERGY STAR qualified options, and not as an assurance that a homeowner will qualify for the tax credit.

Amerimax Exterior Home Products assumes no liability regarding the homeowner's ability to obtain any tax credits. Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
